Ownership will pass to the purchaser at time of pick up by carrier from the company's shipping location. Products will be shipped by a carrier of Allpart Supply's choosing. Credit will not be issued to the purchaser for freight charges due to the failure of carrier to deliver to the customer's expectations unless Allpart Supply is able to obtain credit first. **Warranties:** Allpart Supply guarantees its products to be free of defects in material and workmanship for one year. **Freight:** All orders are shipped FOB Fort Worth, Texas. Freight and COD charges will be added to the invoice at time of shipment.

**Restocking Fee and Credit:** A 15% restocking fee will be applied to all returned products. The balance of the credit will be applied to purchaser for store credit. Purchaser is responsible for all return freight. Refused shipments shall also be subject to the 15% restocking fee as well as all outbound and return freight charges.
